Deck The Halls

As you celebrate the holiday season with your family, we would like to extend an invitation to Deck The Halls with your neighbors as well. **The City of Miami Gardens** will be hosting a holiday decorating contest for each residential area. Neighbors will come together as a block to decorate each house to the theme... Below you will find the rules for this holiday contest.

Rules

1. Each block will select a Captain. This Captain will be the City's liaison for the team. The Captain will call meetings if needed and will be the person residents go to for questions or help. At the end of the contest the Captain will be the one to represent the block in explaining the creative displays though up by participating residents.

2. It is not mandatory for every household to participate, but there must be 75% or more participation for a block to qualify for the grand prize.

3. There are no restrictions or rules for each block's holiday decorations, however please be mindful of your safety. For example use the buddy system when climbing a ladder and check all extension cords for damage before using them. The last thing we want is for anyone to get hurt.

4. The last day to finalize decorations will be on December 16th, judging will begin on December 17th, and the winners announced on December 19th.
