A broadcast notice was sent to 2,998 vendors. One hundred forty proposal

packages were requested. The proposals were opened on October 16, 2008. Twenty-two proposals were received and publicity read for architectural services. A copy of the proposal document and submittals are available at the assistant to the mayor and council's office for review.

The individual committee members performed site visits to projects that the short listed architectural firms had either designed and or planned. Each member received favorable remarks from the owner or the owner's representative.
