A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MIAMI GARDENS, FLORIDA, AUTHORIZING THE CITY MANAGER TO ISSUE A CHANGE ORDER TO SUNGARD OSSI IN THE AMOUNT OF \$178,060.00; PROVIDING FOR THE ADOPTION OF REPRESENTATIONS; PROVIDING AN EFFECTIVE DATE.

## Staff Summary

As the City of Miami Gardens Police Department continues to grow and add staff, the purchase of additional equipment for everyday functions is imperative. The addition of eleven new police officers positions has been authorized for FY 08/09. At the May 28, 2008 meeting, Council approved the purchase of computer hardware to support the increased staffing. In addition to the afore-mentioned hardware, additional software licenses must be purchased from the City's records management system provider, Sungard OSSI. This software will allow the officers to access the Report Management and Mobile Field Systems in order to complete their reports in the field and increase the time spent on patrol.

The price of these licenses has been reduced 20% from the initial cost that was paid by the Department when the implementation of the system was completed. The total cost of the additional licenses and annual maintenance is \$178,060.00. These items are being purchased via a change order to the original contract with Sungard OSSI which was approved by Council on March 14, 2007.

## Recommendation:

That the City Council approve the attached resolution authorizing a change order to be issued to Sungard OSSI for the purchase of additional software licenses in the amount of \$178,060.00
