Title

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MIAMI GARDENS, FLORIDA, AUTHORIZING THE CITY MANAGER TO ISSUE A PURCHASE ORDER TO MIAMI-DADE COUNTY IN THE AMOUNT OF \$225,325.13 FOR THE PURCHASE OF POLICE RADIO EQUIPMENT; PROVIDING FOR THE ADOPTION OF REPRESENTATIONS; PROVIDING AN EFFECTIVE DATE.

Staff Summary

The City of Miami Gardens Police Department is continuing its growth and will be assuming the responsibility for Specialized Investigative Services from Miami-Dade County on October 1, 2008. With the required addition of new staff to handle these responsibilities there is a vital need to purchase additional equipment for everyday functions relating to these services. Eleven new police officers positions have been authorized for FY 08/09. In addition to those officers there will be eighteen new officers added to investigations and seven crime technicians; therefore the purchase of additional communications equipment to outfit those personnel must be made.

The attached resolution requests the purchase of 39 dual band radios and accessories for the additional personnel listed above. These are newly requested items for the sole purpose of addressing communications demands and implementation of new personnel within the police department. A portion of the funds for this purchase are being provided by police impact fees collected by the Planning and Zoning Department.

The City's purchasing ordinance exempts the purchase of commodities from another governmental entity. Miami-Dade County will provide and program the radios. (see attached quotation and letter)

Recommendation:

That City Council approve the attached resolution authorizing the purchase of radio equipment from Miami-Dade County in the amount of \$225,325.13.
