Title

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MIAMI GARDENS, FLORIDA, AUTHORIZING THE CITY MANAGER TO ISSUE A PURCHASE ORDER TO CDW-GOVERNMENT, INC., FOR ADDITIONAL NETWORKING AND SECURITY HARDWARE AND SOFTWARE FOR NETWORK, TELEPHONES, SECURITY AND OTHER TECHNICAL NEEDS IN AN AMOUNT NOT TO EXCEED \$122,471.00; PROVIDING FOR THE ADOPTION OF REPRESENTATIONS; PROVIDING AN EFFECTIVE DATE.

Staff Summary

The City has acquired additional office space within the Golden Glades campus to house staff in Parks & Recreation, Police, School Crossing Guard, Purchasing and Capital Projects. As we look to connect the network, phones, security and other technical needs, Information Systems has moved forward to acquire the necessary equipment. Additional networking and security hardware and software must be purchased and installed in order to keep these vital departments functioning and have their data secure.

The State of Florida competitively bid for Network Infrastructure Equipment and Services. We previously use this agreement for our equipment, since it provides

us with discounted prices, reflecting the large economies of scale from the State agencies. Category 2- Lan/Wan Infrastructure Equipment was awarded to several network providers. The City's current infrastructure equipment is Cisco solutions. Cisco is one of the awarded contractors and CDW-Government, Inc. (CDWg) is an authorized reseller for Cisco.

CDWg provided us with a quote for the equipment and licenses needed (**Exhibit A**), at a discounted price of \$122,471.

Recommendation:

We recommend that the City Council approve the expenditure of \$122,471 to CDW-Government, Inc. the state approved vendor for Cisco equipment for the City.
