EXCERPTS FROM CHAPTER 34-59

Sec. 34-59- Alteration or enlargement of nonconforming structure.

(c)

Certificate of legal conformity. A property owner may file an application to the administrative official for a certificate of legal conformity determination. Such determination shall be made by the administrative official after consideration and review of plans that demonstrate that the development is or will be improved to the best extent physically possible to comply with all applicable regulations of this chapter. Best extent possible shall mean, but not be limited to, the extent to which compliance with a code requirement does not create, result, or increase another non-conformity. The administrative official may also grant a certificate of legal conformity upon a determination by said official that the financial costs of compliance will unreasonably exceed the public benefits of compliance. The City shall establish administrative guidelines for the review and issuance of a certificate of legal conformity for site improvements that become non-conforming as of the effective date of adoption of the land development regulations. Said guidelines may be revised, amended, and modified administratively from time to time.

(d)

Certificate of Legal Conformity for Landscape and Buffer Requirements. A property owner may file an application to the administrative official for a certificate of legal conformity determination as to compliance with the provisions of Article XIV. Minimum Landscape and Buffering Requirements; Fences; Walls; Hedges. Such determination shall be made by the administrative official after consideration and review of plans that demonstrate that the development is or will be improved to the best extent physically possible to comply with all applicable regulations of this chapter. Best extent possible shall mean, but not be limited to, the extent to which compliance with a code requirement does not create, result, or increase another nonconformity. The administrative official may also grant a certificate of legal conformity upon a determination by said official that the financial costs of compliance will unreasonably exceed the public benefits of compliance. The City shall establish administrative guidelines for the review and issuance of a certificate of legal conformity for landscape and buffer requirements that become inconsistent as of the effective date of adoption of the land development regulations. Said administrative guidelines may be revised, amended, and modified from time to time, subject to approval by Resolution by the City Council.
