2.2 TERM OF CONTRACT:

The term of the contract shall be for two (2) years with an option to renew for two (2) additional years, consecutively. Contract renewal shall be the City's prerogative; not a right of the bidder. This prerogative will be exercised only when such continuation is clearly in the best interest of the City. This contract may not be an exclusive contract.

All prices shall remain firm for the initial two year period. Vendor may request a price adjustment for any subsequent renewal period by submitting a fully documented request at least ninety (90) days prior to expiration of the contract. Requests for price adjustments shall be based on All Urban Consumer Price Index as published by the US Department of Labor, Bureau of Labor Statistics compared to the index of the same month of the prior year.

2.3 METHOD OF AWARD:

The City reserves the right to award a contract on such items or services the City deems will best serve its interests. It further reserves the right to award a contract on a split order basis, or such combinations as shall best serve the interests of the City unless otherwise specified herein.

2.4 BILLING AND PAYMENT:

The contractor will invoice the City on a monthly basis. Invoices shall be clearly marked indicating the time frame and group for each of the vehicles rented. Each invoice submitted to the City shall be departmentalized. Grouping of various departments on the same invoice will not be accepted, as this will delay the payment process. Payment will be made to the vendor within thirty (30) days following receipt of correct invoices by the City.

When vehicles are returned, an inspection shall be done at this time and notification given for any damages that might be billed. The City, at its discretion, may arrange for any necessary repairs.

PURCHASING CARD PROGRAM:

The City has implemented a purchasing card program through Bank of America, using the VISA network. Contractors will receive payment from the purchasing card in the same manner as other Visa purchases. Accordingly, respondents shall presently have the ability to accept VISA or take whatever steps necessary to implement the ability before the start of the agreement term. The City can only accept VISA, however, the purchasing card is not the exclusive method of payment. Please indicate your ability to accept Visa purchasing card on Bid Form.

2.5 INSURANCE:

The City of Miami Gardens will insure all vehicles provided under this agreement for all causes. The City of Miami Gardens will pay all claims and losses of any nature whatsoever in connection therewith and shall defend all suits or causes of action in the name of the vendor where applicable. The city of Miami Gardens shall be responsible for any and all physical damage to a vehicle under this agreement regardless of fault and subrogation rights if any will be assigned.

2.6 QUANTITIES:

Currently the City of Miami Gardens is consistently renting 10 vehicles monthly. Even though no quantities are stated under several groups, a firm monthly rental price is requested, as there might be a need for vehicles under those groups by the City of Miami Gardens in the future. The City of Miami Gardens reserves the right to increase or decrease the quantity of vehicles during the term if the contract.

Each governmental entity will be responsible for awarding the contract, issuing its own purchase orders, and for order placement. Each entity will require separate billings, be responsible for payment to the successful bidder and issue its own tax exemption certificate as required by the bidder.

2.17 ADDITIONAL SERVICES:

While the City has listed all major services on the bid solicitation which are utilized by City departments in conjunction with its operations, there may be other items that must be purchased by the City during the term of this contract. Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
