**PURPOSE:**

The purpose of this contract is to repair and replace damaged or obsolete guardrail and to install new guardrail at previously unprotected sites on existing roads. Most of the work performed under this contract will be of a non-emergency nature allowing for advanced planning. Emergency work may also be required to repair or install guardrail in the event a crash or other unforeseen problem causes a hazard that requires guardrail protection

**PAYMENT:**

Payment for work shall be authorized upon completion of all work specified in the specifications.

The contractor shall submit a list of the areas repaired during the billing cycle, along with the date it was performed. The total sum of areas serviced and their invoice prices shall concur with the company's bid. Invoices shall be submitted for processing on a monthly basis and payable in accordance with the Florida Prompt Payment Act.

**PURCHASING CARD PROGRAM:**

The City has implemented a purchasing card program through Bank of America, using the VISA network. Contractors will receive payment from the purchasing card in the same manner as other Visa purchases. Accordingly, respondents shall presently have the ability to accept VISA or take whatever steps necessary to implement the ability before the start of the agreement term. The City can only accept VISA, however, the purchasing card is not the exclusive method of payment.

**PRICES SHALL BE FIXED AND FIRM FOR TERM OF CONTRACT:**

If the bidder is awarded a contract under this solicitation, the prices quoted by the bidder on the Bid Form shall remain fixed and firm during the term of this contract; provided, however, that the Bidder may offer incentive discounts from this fixed price to the City at any time during the contractual term.

**WARRANTY:**

The successful bidder will be required to warranty all work performed. Bidder shall warrant its products and/or service against faulty labor and/or defective material for a period of one year. The bidder shall promptly correct any deficiency, at no charge to the City, within five (5) calendar days after the bidder is notified of such deficiency in writing. If the bidder fails to honor the warranty and/or fails to correct or replace the defective work or items within the period specified, the City may, at its discretion, procure the products or services from another vendor and charge the bidder for any additional costs that are incurred by the City for this work or items.

**SOUTHEAST FLORIDA GOVERNMENTAL CO-OPERATIVE PURCHASING GROUP:**

The bidder understands and agrees if any of the governmental entities or municipalities who are members of the Southeast Florida Co-Op Purchasing Group may participate in the resulting contract with the same terms and conditions through the renewal periods.

Each governmental entity will be responsible for awarding the contract, issuing its own purchase orders, and for order placement. Each entity will require separate billings, be responsible for payment to the successful bidder and issue its own tax exemption certificate as required by the bidder.

**PARTICIPATING AGENCIES:**

Each participating governmental City will be responsible for issuing its own Purchase Obligations/ Task Orders. Each City will require separate billings, be responsible for payment to the awarded contractor and issue its own tax exemption certificates as required by the contractor. Invoicing instructions, site locations, and bonding requirements, if applicable, will be in accordance with the respective City's requirements. Any reference in this document to a single City will be understood as referring to all participating agencies referenced in this bid.
