2.5 PAYMENT:

Invoices for payment will be submitted no more than once a month. Invoices must identify route and field trips when applicable. Invoices will be subject to verification and approval by Parks and Recreation Department. The Contractor's performance will be closely scrutinized by the City. If the Contractor's performance fails to meet the standards specified within this bid her/his contract will be subject to cancellation.

PURCHASING CARD PROGRAM:

The City has implemented a purchasing card program through Bank of America, using the VISA network. Contractors will receive payment from the purchasing card in the same manner as other Visa purchases. Accordingly, respondents shall presently have the ability to accept VISA or take whatever steps necessary to implement the ability before the start of the agreement term. The City can only accept VISA, however, the purchasing card is not the exclusive method of payment.

2.6 FUEL ADJUSTMENT:

If during the contract period, the price of fuel is increased 10% over the price of fuel in effect at the time contractor submits his bid, the Contractor may request a price increase equal to the overall cost increase he has experienced as a direct result of the fuel cost increase. Any price increase must be submitted to Purchasing Manager in writing with full documentation substantiating the request. Documentation must include the price of fuel at the normal source/point of supply at the time of the ITB was submitted, current price of fuel at the same normal source/point of supply and a percentage of his delivered product/service cost that is attributable to fuel cost. A published fuel index may be obtained by the City and used as a guideline for insuring fuel increases are justified.

No price increase will be permitted the first six months of the contract period, thereafter requests for increases may be submitted prior to onset of each quarter of contract.

If during the contract period, the cost of fuel is decreasing by 10% below the price of fuel in effect at the time the contract submits his bid, the Contractor is required to extend to the City a price decrease equal to the overall price decrease he has experienced in his product/services as a direct result of the price decrease.

2.7. RESPONSE TIME:

The Successful bidder will be required to have vehicles at the pick-up area(s) at each school a minimum of 15 minutes prior to school dismissal. From time to time the City may require additional bus services for field trip, vehicles must be at designated pick up area(s) a minimum of 30 minutes prior to scheduled departure.

2.9 PRICES SHALL BE FIXED AND FIRM FOR TERM OF CONTRACT:

If the bidder is awarded a contract under this solicitation, the prices quoted by the bidder on the Bid Form shall remain fixed and firm during the term of this contract; provided, however, that the Bidder may offer incentive discounts from this fixed price to the City at any time during the contractual term.
