OWNER-BUILDER DISCLOSURE STATEMENT

The laws governing the State of Florida provide that a sole qualified owner may make application for a permit, provided the work under said permit is exclusively for the owner's occupancy and use. No more than one permit will be issued, to an owner-builder in a twelve (12) month period for a new Single Family Residence. The law requires that we provide you with the following disclosure statement:

State law requires construction to be done by licensed contractors. You have applied for a permit under an exemption to that law (FRS. 489.103.) The exemption allows you, as the owner, of your property, to act as your own contractor with certain restrictions even though you do not have a license. You must provide direct, onsite supervision of the construction yourself. You may build, or improve a one-family or two-family residence. You may also build or improve a commercial building at a cost of \$75,000.00 or less.

The building must be for your own use and occupancy. It may not be built or substantially improved for sale or lease. If you sell or lease a building you have built or substantially improved yourself within one (1) year after the construction is completed, the law will presume that you have built it for sale or lease, which is a violation of the exemption. You may not hire an unlicensed person to act as your contractor or subcontractor or to supervise people working on your building. It is your responsibility to make sure that people employed by you have the licenses required, by state law and by county and municipal ordinance. You may not delegate the responsibility for supervising work to a licensed contractor who is not licensed to perform the work being done. Any person working on your building who is not licensed, must work under your supervision and must be employed by you, which means you must deduct FICA and withholding tax and provide workers' compensation for that employee, all as prescribed by law. Your construction must comply with all applicable laws, ordinances, Florida Building Code, and zoning regulations.

PROOF OF OWNERSHIP:

Legal description and name of document of proof must correspond to the name and legal description of the application. You must submit proof of ownership of the property concerned in the application as:

- * Recorded Quit Claim Deed;
- * Recorded Special Warranty Deed;
- * Recorded Warranty Deed;
- * Miami Dade County Tax Receipt;
- * For Commercial Properties a copy of lease, if applicable.

INSURANCE:

You should be advised that if your day labor employees cause any damage to persons or property, or if any of your day labor employees are injured on the job, **YOU ARE LIABLE**. Your regular home insurance policy ordinarily does not cover this type of liability.

DEMOLITION WORK:

In addition to meeting Florida Building Code requirements, you are responsible for disconnecting all utilities, including water, sewer, septic tank, electrical services, gas, telephone, cable TV, etc., prior to commencing demolition. You are also required to obtain a permit from the State of Florida Department of Health and Rehabilitation Services (DOH) in order to abandon any septic tank that is on the property.

NOTICE: SEPARATE PERMITS ARE REQUIRED FOR BUILDING, ELECTRICAL, SEPTIC TANK, PLUMBING, ROOFING AND MECHANICAL WORK
