### 2 of 4: Choose Commodity Codes

#### What are commodity codes?

DemandStar commodity codes are how we categorize goods and services for government procurement. When you choose commodity codes, DemandStar uses them to match what your company provides to what governments in your subscription need, helping you find the best bids and quotes to bid on.

#### Tell us what your business does

Use a few keywords to tell us what your business does, and we'll match you up with some commodity codes. You can add more codes or change these in your DemandStar profile later.

#### Search Commodity Codes

For example, "construction"
